Perverse Curtailments under Two-Sided Feed-in-Premium Contracts

Junior reviewer: **Etienne de Chambost**

Senior reviewer: **Chloé Le Coq**

14:40 - 15:20

Marie Brugué, LEDa, Université Paris Dauphine, PSL

Efficiency versus Flexibility: The Impact of Heat Pumps on Household Electricity Demand in France

Junior reviewer: **Alida Johanssen**

Senior reviewer: **Vincent Bertrand**

15:20 - 16:00

Romane Anquetin, CRED, Panthéon-Assas Université Paris

When Eligibility is Not Enough: Understanding Non-Take-Up of Energy Subsidies

Junior reviewer: **Cyrian Hallermeyer**

Senior reviewer: **Marie Gauthier**

16:00 – 16:30

Coffee break

16:30 - 17:10

Maurice Ekoue, GAEL, Université Grenoble Alpes

Supply-Side Flexibility in Sequential Electricity Markets under Renewable Forecast Uncertainty

Junior reviewer: **Mathieu Richard**

Senior reviewer: **Quentin Hoarau**

17:10 - 17:50

Leticia Pieraerts, Université libre de Bruxelles

Revisiting Vertical Arrangements under Real-Time Pricing in Electricity Markets

Junior reviewer: **Jules Welgryn**

Senior reviewer: **Lionel Lemiale**

19:30

Conference Dinner

Day 2 – Thursday, 13 November 2025

08:00 - 08:30

Welcome coffee

08:30 - 09:10

Cyrian Hallermeyer, SERG, LGI CentraleSupélec

Coupled Investments in SMRs and Industrial Sites: A Real Options Analysis

Junior reviewer: **Julie Robin**

Senior reviewer: **Ibrahim Abada**

09:10 - 09:50

Alida Johanssen, CEM, Technical University of Munich

Nuclear and Renewables – Friends or Foes?

Junior reviewer: **Maurice Ekoue**

Senior reviewer: **Nicolas Astier**

09:50 - 10:10

Coffee break

10:10 - 10:50

Mathieu Richard, CEA I-Tésé, Université Paris Dauphine

Understanding the Dynamics of the French Intraday Market: Insights on the Roles of Balancing Needs and Flexibility

Junior reviewer: **Marie Bruguet**

Senior reviewer: **Joachim Schleich**

10:50 - 11:30

Jules Welgryn, EconomiX, Université Paris-Nanterre

Devil is in the Details: Design Choices and Policy Implications for Carbon Contracts for Difference

Junior reviewer: **Romain Kremer**

Senior reviewer: **Frédéric Lanz**

11:30 - 12:30

Keynote lecture by Massimo Filippini, Professor in Economics, ETH Zurich

12:30 - 12:50

Walk from the IMAG Auditorium to GAEL

12:50 - 13:50

Lunch at GAEL

13:50 - 14:30

Matthieu Delacommune, EDF Lab Paris-Saclay, CentraleSupélec

Price-versus-Quantities with Capital Inertia: Electricity and Carbon Pricing in the Short and Long Run

Junior reviewer: **Romane Anquetin**

Senior reviewer: **Claire Bergaentzlé**

14:30 - 15:10

Etienne de Chambost, ADEME & CEA I-Tésé

Integrating Biomass Supply Curves into an Energy Model: Insights into the Economic and Environmental Impacts of Refuel EU

Junior reviewer: **Mathieu Delacommune**

Senior reviewer: **Hubert Stahn**

15:10 - 15:50

Julie Robin, EDF R&D, Université de Rouen

Self-Consumption under Net-Billing Tariff Structure: Impacts on Non-Residential Electricity Grid Demand

Junior reviewer: **Leticia Pieraerts**

Senior reviewer: **Béatrice Roussillon**

16:00

Goodbye Coffee
